All models

Gel Seat – DR650

Help protect your best asset with this custom seat. A thick layer of gel provides an extra layer of cushion when riding off road or on. Also lowers seat height. Black/Yellow/Blue seats feature Spandura material for stretchy comfort.

DR/DR-Z

Carbon Fiber Accessories

Ultra light, ultra strong, ultra trick! These tough carbon fiber pieces weigh on average 50% less than aluminum, 30% less than plastic. The choice of Team Suzuki.

Hand Guards

Black plastic hand guards are a simple bolt-on to your bike. Breaks the wind for street use and helps protect hands from roost when off-roading. All hardware included.
