Dear Customer,

Thank you for purchasing an **Aprilia** motorcycle or scooter. If any component is found to be defective in materials or workmanship within the terms and conditions of this Limited Warranty, the defective component will be repaired or replaced, at the option of **Aprilia**, without charge for parts and/or labor at any authorized dealer located within the 50 United States. This is subject to the following terms and conditions:

CONDITIONS

1. **DURATION**

The duration of the Warranty is 1 (one) year starting from the date of purchase for products having engine displacement of 400 cc or less and 2 (two) years for products having engine displacement greater than 400 cc.

2. **TERRITORY**

The warranty covers all **Aprilia** motorcycles and scooters distributed by **Aprilia USA, Inc.**

3. ACTIVATION / EFFECTIVENESS

Your warranty becomes activated when your selling dealer reports the retail sale to **Aprilia USA**. This is the responsibility of the dealer but it is important your dealer has your correct name and address. **Aprilia** may need to contact you in the event that a recall ever becomes necessary. Your warranty begins when you take retail delivery of your new motorcycle or scooter.

The Warranty is void if the engine or frame serial number of your **Aprilia** product is removed, erased or altered in any way.

In order to keep the Warranty in effect, the service and inspection of your **Aprilia** product must be performed at an **Aprilia** dealership or a qualified **Aprilia** service facility or an equally qualified service facility according to the Periodic Maintenance chart contained within the Use and Maintenance Booklet provided at the time of purchase and the details are to be recorded in this booklet.

4. PROCEDURE

While the Warranty is in effect and upon discovery of an alleged defect covered by this Warranty, you should contact an Authorized **Aprilia** dealer or a qualified **Aprilia** service facility and present this "Warranty-Service Book" and/or other proof of the purchase date. If the component/s involved is/are found to be defective in materials or workmanship by the **Aprilia** dealer or a qualified **Aprilia** service facility or by **Aprilia** itself, the defective component/s will be repaired or replaced at the discretion of **Aprilia** without charge for the components and/or labor. The right of ownership of any parts replaced under warranty shall pass to **Aprilia**. The determination whether the defect is covered by this warranty is within the sole discretion of **Aprilia**. During the Warranty period, in order to be honored, claims must be submitted to an Authorized **Aprilia** dealer or a qualified **Aprilia** service facility within sixty (60) days of the discovery of the defect or nonconformity. Further possible expenses, such as transportation of the product to or from an authorized **Aprilia** dealer and inspection costs are not covered by this warranty.
